Poletti-Edna Ranch Chardonnay 2020

Edna Valley

WINEMAKER NOTES

Poletti – Edna Ranch Chardonnay 2020 is totally on par with the kind of Chardonnay I want to make and drink from Edna Ranch. This vintage delivers with exuberant stone fruit and lemon notes that complement the complex texture on the palate. The minerality and acidity anchors this wine's sophistication. When it comes to Chardonnay, Edna Valley is the place. The wine is barrel fermented and aged for 9 months in French oak barrels. With this minimal winemaking, the place shines and makes a lasting impression in the glass.

ABOUT THE VINEYARD

When it comes to picking favorite vineyard sections, Poletti – Edna Ranch claims this title. Even during a cool vintage, as we experienced in 2020, the Chardonnay grapes thrive in the Poletti section, receiving ample sunshine to support ripening. This vineyard section may be 10 degrees warmer than the vineyard surrounding the winery, yet it is planted at a slightly higher elevation welcoming the coastal sea breeze and thick marine layer. The soils depict remnants of an ancient ocean floor and are in comparison to some of the most world-renowned soils, similar to what is found in Burgundy, France.
