## PACIFIC WIND PINOT NOIR 2022

### SAN LUIS OBISPO COAST

#### VINTAGE NOTES

A dry winter and cool spring delayed bud break and slowed bloom and fruit development. Warmer summer weather, however, prevailed through August, followed by an unexpected heat wave of eight days in early September. Reduced yields, a result of drought conditions over the last two years, combined with the warmer September have produced an expressive vintage featuring ripe, concentrated flavors.

#### VINEYARD SOURCES

Showcasing the diversity of terroirs and clones planted at Edna Ranch, grapes for this wine came from the Hollister Vineyard of Edna Ranch, located just five miles from the Pacific Ocean, planted to the historic HMR clone and Baggett Vineyard which surrounds the winery and is planted with Dijon clone 115.

#### WINEMAKING

After optical sorting and destemming, grapes were cold soaked for three days before fermentation in 100% stainless steel tanks at moderate temperatures. This wine was then aged for ten months in 100% French oak, 22% new.
