

Topography

Grown in Tierra sandy loam and Cropley clay soils, and moderated by daily maritime winds from Morro Bay.

Appellation

Sourced from Tolosa's estate Baggett Vineyard in the San Luis Obispo Coast AVA.

Winemaking

Grapes were initially processed very much like white grapes, whole cluster pressed and cold settled for two days at 48 degrees.

Fermentation

Fermentation took place in 100% stainless steel tanks followed by aging for five months, also in stainless steel tanks.
