

Topography

Salaal Vineyard, located on Biddle Lane, features rich clay soils and slightly warmer growing conditions that bring depth and structure to the Syrah.

Appellation

The wine is enhanced by Grenache from the organically farmed Morro View Vineyard in the Edna Valley, just five miles from the Pacific Ocean, where stony sedimentary soils and coastal influences contribute brightness and minerality.

Winemaking

The 2021 San Luis Obispo Coast Syrah is comprised of 91% Syrah and 9% Grenache. After destemming and optical sorting, grapes were cold soaked for three days at cooler temperatures before fermentation in an open top stainless-steel tank.

Fermentation

After fermentation, the wine was aged for 18 months in 100% French oak barrels, 35% new.
